# Red Pill Threads

**Industry:** Apparel and Merchandise

**Client Background:** Red Pill Threads is an online retailer specializing in anti-government, deep state, and conspiracy theory-themed apparel. Their product line includes t-shirts, hoodies, and accessories that cater to individuals interested in political and social issues.

# Challenges and Objectives

## Challenges

- Limited online visibility in a niche market.
- Low conversion rates despite targeted traffic.
- Inconsistent branding across digital platforms.
- High cart abandonment rates.

## Objectives

- Increase website traffic by 50% over six months.
- Boost conversion rates from 1.5% to 3%.
- Enhance branding consistency across digital platforms.
- Reduce cart abandonment rate by 20%.

# Why FMO Media?

## Why They Chose Us

Red Pill Threads selected FMO Media for its holistic approach to e-commerce growth, expertise in niche markets, and success in managing comprehensive digital strategies.

## Package

Custom

## Timeline

The strategy was implemented over a six-month period with ongoing adjustments and optimizations.

## Services Provided

**Website Management:** Optimized website performance, navigation, and checkout processes.

**Social Media Management:** Created engaging and consistent content across platforms to build brand awareness and loyalty, Including Influencer campaigns

**Product Images and Graphics:** Delivered high-quality visuals for product listings and promotions.

**Short Form Videos:** Produced TikTok and Instagram Reels to capture audience interest and drive traffic.

**Paid Media Management:** Launched and managed targeted ad campaigns on Meta, TikTok Shop, and Google, focusing on Brand Awareness, ROAS and high-intent audiences.

## Strategy

**Initial Audit/Assessment:** Conducted a detailed analysis of their website, social media presence, and customer journey.

### Action Plan:

Developed a cohesive branding strategy across all platforms.

Managed and optimized their website to enhance performance and user experience.

Implemented cart abandonment recovery strategies via email automation.
